NOTE TO ALL MEMBERS: The club will send out notices to each member the month before their membership expires. Be sure to send your renewal in early to retain your original number as you joined the club. If a member has not renewed within 90 days after their membership has expired, their number will go into an inactive file. The number will no longer be used by the club.

## PRESIDENT'S MESSAGE

It's been another good month for the FCA, we gained 63 new members last month. Doesn't look like its going to slow down for some time as I keep getting more and more letters from people wanting information about the club.

The Club has now started a club Library, we have already received several items for it. Glen Blubaugh of PA has donated several items of Falcon Literature to the club, Charlie Jones of Obsolete Ford has donated several items and other members have also given items such as owners manuals, Sales literature, service manuals,. If you have anything you would like to give to the club, send it to The Falcon Club. These items will always remain in the club.

Once again I would like to remind all the members to send all mail to This address and I will see to it that it is sent to anyone that it should be sent to, if necessary. Be sure to use your membership number when you write.

Below is a copy of a letter I received, if any of you can help or know anyone that can, please contact Mr. Howley

Feb, 23 1981  
Roy Sword, President FCA

Dear Mr. Sword

About three months ago Special Interest Autos gave me an assignment to do a Driverreport on the 1960 Falcon. With the help of Gary Huckins and members of the Falcon Club of San Diego we have been looking for a car to photograph for some time, NO LUCK. So he suggested that I contact you so that word may be passed out to your national Membership.

We have found several 1960 Falcons in Southern California, but none suitable for photographs. The car must be either very good original or correctly restored. No modifications. It must be a two door or four door sedan, preferably deluxe, but Standard would be acceptable.

While there's no shortage of 1960 Falcons in California we find it just about impossible to fine a really good one here. A Ranchero or Station Wagon will not do.

Can your members help. We are most anxious to print the story, but we can't without a car. And it absolutely must be the first year.

Sincerely,  
Tom Howley      Phone 714-291-4747  
3250 Second Ave  
San Diego, CA 92103

If any of you know of a 1960 Falcon that is a extra nice original or correctly restored one, give Mr. Howley a call or drop him a line. Your Falcon might make a story come true.

Roy E. Sword, President  
Falcon Club of America

If anyone would like to start a Project of any kind, let the Editor know and it will be published in the newsletter for all members information.

LETTER TO THE EDITOR:

To The Editor

I just returned from the winter meet at Atlantic City, "J. It was the best attended winter meet we had in a few years.

Sales was off but the rare Falcon items are still selling. I had a display set up with my 64 Squire Wagon. As usual I got stuck with the stand while my son Jodi (FCA #16) had all of the fun.

We did purchase some NOS parts including a 63 Squire Wagon gas cap with wood grain installed, three wagon and Ranchero 64-65 caps, one of the rare caps I found was a C0DZ9030C in an original Autolite box, this cap is Chrome Plated and the first one I had ever seen.

I had the opportunity to talk with a lot of F.C.A. members. Everyone wanted to know how many members we had. I kept telling them around 500. It wasn't long before a nice young man came thorough the isle with a smile on his face when he saw my Squire Wagon and the display of parts.

He wanted to know if I sold Falcon parts why I didn't join the FCA club. I told him I was #11, he was surprised. He showed me his card and if I remember correctly it was #614 so in a minute I gained 114 new members.

Enough gosin now to get on with the reason I am writing this letter.

Spring Carlisle is almost upon us. Everybody is getting ready for the summer shows. I would like to have a meeting of all the F.C.A. members that are planning to attend Spring Carlisle. I am willing to donate 2 of my spaces at the meet to hold a meeting at 2:00 PM on Saturday afternoon, 25 April. I have 8 spaces so If we need more room I will have it.

I will be glad to hear from any one who is willing to help set this up and we may get something going on the east coast. My spaces are B 55 & 56, C 61-63.

I will have a display of cars and parts for sale and I will be buying NOS parts.

My telephone number is 717-762-4628 and my address is, Glen Blubaugh 5420 Buchanan Trail East, Waynesboro, PA 17268.

If any one who cannot get to Carlisle is interested in Falcon parts they can call the above number and I will tell them If I have them, and mail it to them. Falcon parts are very scarce so we cannot make a parts list.

I hope you find this letter a benefit to the club. Thanks for listening

FCA # 11  
Glen Blubaugh

Letters to the Editor should be sent to the Editor and marked "For the FALCON NEWS".
